

Toolkits

Build your skills & competencies.

Global Standards

Global quality & food safety standards & certifications

National Regulations & Agencies

Links to National Regulations and supports for 113 countries.

Events Calendar

Upcoming events by theme, location and/or date.

Free Training Programs

Build your skills & competencies.

Innovation Food Safety Quality Operations	Supply Chain Six Sigma Health & Safety Sustainability	Ingredients & Foods Nutrition & Health Science Process Management	People Skills Starting a Business Strategy
--	--	--	--

Innovation

Inform your innovation with research, insights, trends & guidance.

Innovation Training Marketing & Branding Food Trends Product Development	Scaling up Texture & Sensory Package Development	Label Development Shelf Life Innovation Management
---	--	--

Ingredients

Ingredient categories, properties, functionalities processing & technologies.

Carbohydrates Dairy Ingredients Dietary Fibre Food Supplements Fats, Oils & Lipids	Food Additives Flavours Gelatin Herbs & Spices Honey	Hydrocolloids Insects Nuts & Seeds Proteins Salt	Seaweed Soybean Starch Sweeteners
--	--	--	--

Food Processing

Methods, technologies & processing solutions for food & beverage.

Production Food Processing Thermal Processing Alternative Processing Baking	Encapsulation Enzymes Evaporation & Drying Extrusion Rheology & Viscosity	Fermentation Food Fortification Emulsification Nanotechnology Preservation
---	---	--

Manufacturing

Manufacturing and supply chain process.

Best Practices Contract Manufacturing Process Validation & SPC	Lean Manufacturing Water & Wastewater	Quality Management Supply Chain Management
--	--	---

Food Safety

Information and references supporting the manufacture of safe products.

Food Safety Trainings Allergen Management Cleaning & Sanitation Crisis Management Hygienic Design	Food Safety Food Safety Culture Food Fraud HACCP Microbiology	Pest Control Pesticides Risk Management Traceability Veterinary Residues
---	---	--

Nutrition & Health

Nutrition and how food impacts health

Nutrition Trainings Health & Nutrition Nutrients	Gut Health Immunology	Epigenetics & Nutrigenomics Inflammation
--	--------------------------	---

Sustainability

Sustainable Food Production

Sustainability Trainings Waste Management Environment Carbon Footprint	Sustainable Packaging Water Conservation Food Systems	Bees Population Energy
---	---	------------------------------

Laboratory

Key practices for a competent manufacturing laboratory.

Laboratory Trainings Lab Competence Best Practices	Methods Units & Uncertainty	Sampling & Testing Accredited Labs
--	--------------------------------	---------------------------------------

Food Sectors

Guidance for specific sectors in the food industry.

Beverages: Alcoholic Beverages: Non-Alcoholic Beverages: Tea Beverages; Coffee Beverages: Soft Drinks Bread & Baked Goods Cereal & Grains	Confectionery Dairy: General Dairy: Milk Dairy: Butter Dairy: Cheese Dairy: Yogurt Dairy: Ice Cream	Dairy: Microbiology Eggs Fats & Oils: General Fats & Oils: Avocado Coconut, Olive & Palm Oil Fish & Seafood	Fruits & Vegetables Functional Foods Herbs & Spices Insects Meat Organic Shelf-stable
---	---	---	---

Suppliers & Materials

Supply Management Supplier Quality Process	Accredited Suppliers Ingredients	Packaging
---	-------------------------------------	-----------

People Skills Trainings

Accelerate your growth & development.

Hiring Org Skills Career Communication	Influence Performance Competencies Teams	Talent Management Leadership Strategy	Change Structure Culture D&I
---	---	--	---------------------------------------

Publications & Associations

Publications and resources for the food and beverage industry.

Food & Beverage Journals Food & Beverage Resources Food Safety Resources Packaging Resources Open Access Books & Journals	Global International European Asia Pacific	Microbiology Sensory Packaging Toxicology
---	---	--

Start-Up

Start-Up Resources	Developing a New Product	Royalty-Free Stock Images & Videos
--------------------	--------------------------	------------------------------------
